Dear Faye,

I am writing to thank you and The Public Affairs Alliance of Iranian Americans for the wonderful Thanksgiving dinners you provided for the families in our shelter. Our clients truly appreciated having such a special meal and for the opportunity to relax and be with their families.

The following comment from one of our graduates expresses how Human Options and generous donors like you have changed her life:

It has been over four years since I entered the Human Options program. At that time, I was living in total fear. I was completely alone and so scared to leave everything and take my children to the "unknown." Then I found Human Options. I was welcomed with love, support, encouragement and friends! Human Options gave me a path to a new life.

– Jenny, Shelter Graduate, 2005

This woman has literally rebuilt her life – your support, and the support of other caring people, made this possible. Thank you for investing in Human Options' vision of a world in which every family member is safe from emotional and physical abuse.

Best,
