Dear Fariba:

Thank you for your very generous food donation for our women and children during the Thanksgiving holidays. Our clients reported such a delightful evening and felt very blessed. It was wonderful to see how this donation brightened each woman's eyes during this very sensitive time. At Human Options, legal advocacy, case management, and counseling for our clients are just a few of the ways we continue to support victims of domestic violence. We truly appreciate your generosity and support to providing these much needed resources in our community.

Human Options, Inc. is a 501©3 non-profit organization and our Tax ID number is 95-3667817. Please keep this letter on file for your records.

Again, we truly appreciate your generosity and commitment to our residents here at Human Options.

Kind Regards,

Cerina Griffin
