

GOVERNOR ARNOLD SCHWARZENEGGER

October 10, 2010

Public Affairs Alliance of Iranian Americans

I extend my warmest welcome to those gathered here today for a fantastic opportunity to hear prominent members of the Iranian community speak about their experiences.

A culturally rich state, California welcomes all groups which help to promote the needs of its public. You promote cultural awareness and further strengthen Iranian-Americans through collaborative efforts in public education and awareness. By focusing on the younger generation, you are building a stronger and more-informed youth while bringing the community together as a whole.

Passing the Torch of Success is a result of the collective effort of top-notch experts and noted members of the Iranian-American community. You have created a fantastic opportunity for your attendees to learn from some of the most influential leaders in their respective industries.

Please accept my best wishes for a memorable celebration and every future success.

Sincerely,
