

Ali Tehrani

Director of Operations, Washington D.C. Office, Psiphon

Ali Tehrani is a strategist and analyst specializing in internet freedom, journalism and media innovation, a focus that emerged during Ali's early career as a journalist in Iran. For the past six years, Ali has worked at Psiphon, a global leader developing and provisioning anti-censorship technologies. Ali holds a Master's degree in Data Journalism from Columbia University, and has studied Statistics in Iran and Digital Media in Sweden.
